egg²[®]

THE POWER OF EVOLUTION

You have created a new life and it's time for baby to explore their new world. Time to get outside in style and comfort with your new egg²[®] stroller.

The egg²[®] carrycot is perfect for the first few months, offering a cosy, comfortable and protective environment that keeps your baby safe in a lie-flat position.

At six months, baby can move up to the egg²[®] seat where they can interact with you, always watching, listening and learning. As they grow, the harness and headrest can be effortlessly adjusted and the seat can be switched to the world facing position – taking in new sights and sounds.

Designed in Britain, egg²[®] stays true to the school of 'Inspired Luxury Design' with soft-touch marl tailoring, smooth curves and superb engineering. The new wheel design along with the integration of Tru-Ride Technology[®] and all-round suspension provides a smooth ride for your baby.

It was important for egg²[®] to preserve the DNA of egg[®]; the showstopping look and premium feel is very much reminiscent of the original model, and putting the stroller together is just as intuitive.

egg²[®] offers confidence, vogue and exceptional ease of use for new parents.

- **egg® shell i-Size**
- Maxi Cosi CabrioFix i-Size
- Maxi Cosi Pebble, Pebble 360, Plus and Pro
- *Maxi Cosi Coral*
- Maxi Cosi Tinca
- Peg Perego Primo Viaggio Lounge
- Recaro Privia

hunter green egg® Shell on chassis

**Not suitable in tandem twin mode*

For an updated list past January 2023 head to eggstroller.com.

At egg, our commitment to you is to equip this premium product with the best in quality tyres. Featuring Tru-Ride® Technology, these PU Polymer tyres have been engineered to offer comfort and durability. Our tyres last ten times longer than more commonly used EVA, offering superior handling and giving a smoother ride for both you and your child.

Featuring a new unique egg-shaped tread pattern, the egg²® leaves its mark wherever it goes.

NEW HUSH VIOLET
ARRIVING SUMMER 2023

THE COLLECTION

Born in Britain and still family owned, we work tirelessly with the very best designers and manufacturers across the nation, Europe and around the world to bring to market new products that are contemporary by design as well as those that are more classic and traditionally styled.

egg[®] is quintessentially British but our fabrics are inspired by styles both at home and further afield. The new Collection is made from a luxury soft-touch tailored marl and is available in seven different colourways- from the haute couture of Mink, to the calm azure night of Cobalt and the glimmer of Moonbeam.

Collection colours are available to buy separately or as 8-piece packages, which include the stroller, carrycot, egg[®] Shell car seat, multi car seat adaptors, ISOFIX base, backpack, footmuff and fur Liner.

For more information on our packages, visit [eggstroller.com](https://www.eggstroller.com), or see page 38.

MOONBEAM

Add a flash of lunar magic into your strolls with our new Moonbeam fashion and you and your little one will feel like you are floating in space every time you step outside your home.

The soft-touch marl fabrics shimmer against our classic egg²® gunmetal chassis details while the black hand-stitched handle and bumper bar adds a further depth of contrast to complete the whole design cycle and aesthetic.

Stroller includes a reversible fur seat liner, apron, insect net and raincover.

stroller / £879

carrycot / £229

infant car seat / £199

backpack / £100

footmuff / £85

FEATHER

Airing a sense of occasion, Feather salutes a subtle pebble stone designed to offer the more discerning parent a perfect complement to trench coat attire.

Soft-touch tailored marl fabrics delicately dress an elegant champagne chassis, whilst a luxury hand-stitched handle and bumper bar in rich chocolate brown perforation and traditional egg[®] signatures finish Feather with class.

Stroller includes a reversible fur seat liner, apron, insect net and raincover.

stroller / £879

carrycot / £229

infant car seat / £199

backpack / £100

footmuff / £85

MINK

Truly breath-taking, our new Mink colourway hits the high notes of luxury and fashion and adds an element of haute couture to our already sumptuous collection.

Tawny browns with hints of green embrace within the soft weaves of the fabric to create a colour and feel that would not look out of place on a Parisian catwalk. Combined with our new minted bronze chassis, this combination sets a new standard that the others are going to have to run to catch up with.

Stroller includes a reversible fur seat liner, apron, insect net and raincover.

stroller / £879

carrycot / £229

infant car seat / £199

backpack / £100

footmuff / £85

HUNTER GREEN

Hunter Green was originally used as camouflage in the 19th century, we have turned it on its head and made it pop and stand out. There is no blending in with this fashion as you travel through your world; heads will turn, see you coming and watch you go.

The soft-touch fabrics evoke a feel of both Spring and Autumn combined. The earthy finish and detailing of our new minted bronze chassis, with darker accents from the black hand-stitched handlebar and bumper, complete the ensemble perfectly.

Stroller includes a reversible fur seat liner, apron, insect net and raincover.

stroller / £879

carrycot / £229

infant car seat / £199

backpack / £100

footmuff / £85

SEAGRASS

Presenting a calm yet invigorating freshness to stroller fashion, our Seagrass fabric echoes of mediterranean coastal strolls and relaxing beachfront memories.

The soft-touch tailored marl fabrics are perfectly complemented by the deeper tones of our gunmetal chassis, seeming to grow from the frame, and the contrasting black hand-stitched handle and bumper bar finish the ensemble off perfectly. The Seagrass edition truly needs to be explored to be appreciated.

Stroller includes a reversible fur seat liner, apron, insect net and raincover.

stroller / £879

carrycot / £229

infant car seat / £199

backpack / £100

footmuff / £85

QUARTZ

Born of the city and entirely in its element, this is Quartz. A true urban wanderer designed for those who embrace the metro landscape – day or night.

Soft-touch tailored marl fabrics delicately dress a striking gunmetal chassis, whilst a luxury hand-stitched handle and bumper bar in black perforation and traditional egg[®] signatures finish Quartz with style.

Stroller includes a reversible fur seat liner, apron, insect net and raincover.

stroller / £879

carrycot / £229

infant car seat / £199

backpack / £100

footmuff / £85

COBALT

True to the alloy, Cobalt features deep blue notes, reminiscent of a calm azure night; this model pays homage to a beautiful naval voyage.

Soft-touch tailored marl fabrics delicately dress a striking gunmetal chassis, whilst a luxury hand-stitched handle and bumper bar in black perforation and traditional egg[®] signatures finish Cobalt chicly.

Stroller includes a reversible fur seat liner, apron, insect net and raincover.

stroller / £879

carrycot / £229

infant car seat / £199

backpack / £100

footmuff / £85

SPECIAL EDITIONS

No collection is complete without Special Edition options. You're in-store comparing egg² to your other shortlisted options and it's often that a unique fabric and premium accessories make the difference for egg² parents - it's what gives their stroller that little extra something special.

egg² Special Editions represent the best – but better, with luxurious dedicated accessories, like the new matching toploader backpack which now includes a clutch bag and the deluxe footmuff which also converts into a blanket.

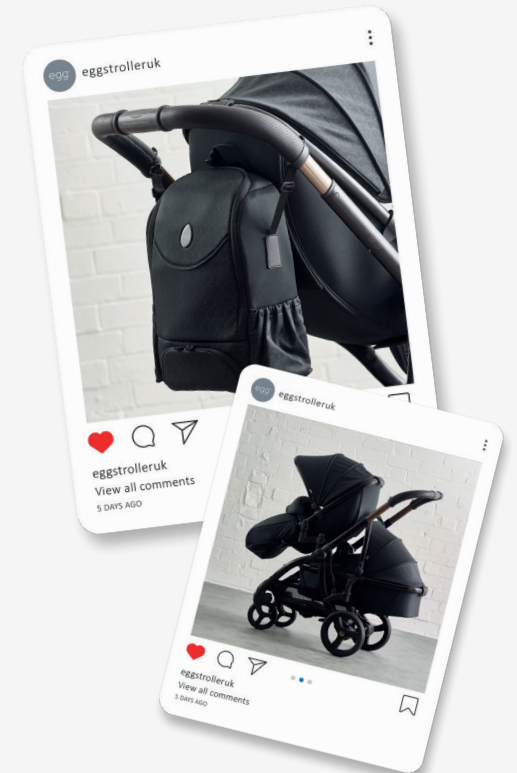

egg² Special Editions are available to buy separately or as 8-piece packages, which include the stroller, carrycot, egg² Shell car seat, multi car seat adaptors, ISOFIX base, toploader backpack, footmuff and reversible fur liner.

For more information on our packages visit eggstroller.com or see page 38.

BLACK GEO

The Special Edition Black Geo egg² Stroller features a new geometric print which glitters in the sun dressing a matte black chassis with a hint of polished brown on the handle. A luxury handstitched handle and bumper bar in black perforation and traditional egg[®] signatures, finish Black Geo as it was supposed to be.

Stroller includes a toplayer backpack (including new matching clutch bag), reversible fur seat liner, apron, insect net and raincover.

stroller / £1,079 (including backpack)

carrycot / £249

infant car seat / £199

toploader backpack / £150

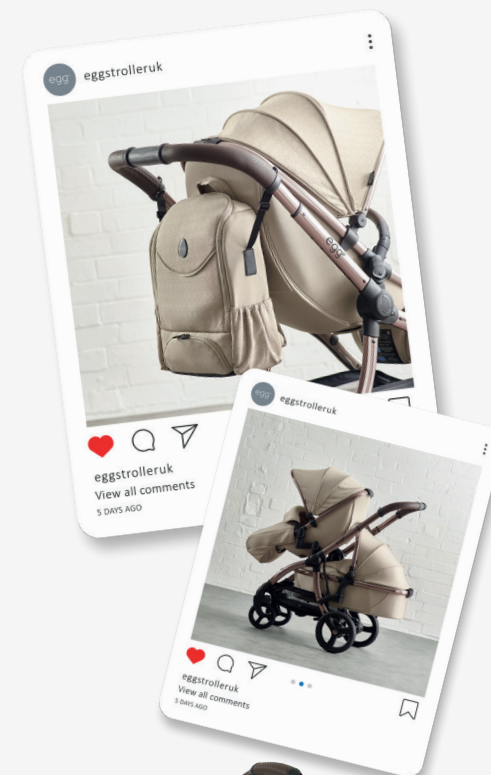

footmuff / £85

FEATHER GEO

The Special Edition Feather Geo egg² Stroller features a new geometric print which glitters in the sun dressing a new bronzed chassis. A luxury handstitched handle and bumper bar in brown perforation and traditional egg[®] signatures, finish Feather Geo as it was supposed to be.

Stroller includes a toplayer backpack (including new matching clutch bag), reversible fur seat liner, apron, insect net and raincover.

stroller / £1,079 (including backpack)

carrycot / £249

infant car seat / £199

toploader backpack / £150

INFANT TRAVEL

The egg[®] Shell i-Size car seat completes your newborn experience by working with your egg2[®] stroller to create a co-ordinated travel system which will provide you with a full solution for all your baby transport needs.

The egg[®] Shell benefits from an enhanced side-impact protection shell, as well as a memory foam headrest and can be easily installed into most vehicles either by using the 3-point seat belt, or by affixing it to the egg[®] Dock ISOFIX base.

egg[®] Shell is easy to set up in the travel system configuration (multi car seat adaptors required) and cleverly uses the multi-position handle of the car seat to lock it in position. If baby is asleep in the car seat when you arrive at your destination you can carefully attach the seat to the chassis of your egg2[®] stroller and stroll away whilst the snoozing continues.

The egg[®] Shell is available in all collection and special edition colours and is included as part of our 8-piece packages.

Please note: Car seats from other brands such as Maxi Cosi and Peg Perego are also compatible with the egg2[®] chassis when used with the multi car seat adaptors. Please see page 13 for compatibility or our website.

ISOFIX

SHELL (i-Size) CAR SEAT

At egg[®] we are synonymous with the highest standards of safety and functionality, overlaid with immense style and design that offers a real luxury occasion time and time again for new parents.

Suitable for rearward facing travel from 40 to 80cm (birth to approx. 15 months), the egg[®] Shell (i-Size) car seat features an enhanced side-impact protection shell, as well as a memory foam headrest providing optimum cushioning for baby in the event of a collision.

In addition, the egg[®] Shell has enhanced inner-body padding (for use from newborn), which provides key support for both the side and upper leg muscles on car journeys. As their muscles strengthen, develop and grow, these key protective cushions can be removed enabling baby to use the seat up to 13kg.

egg[®] Dock ISOFIX Base

The egg[®] Dock anchors to the vehicles ISOFIX points. There is an extendable leg and a rebound bar for stability as well as visual indicators for a simple and correct installation. The seat can also be installed using a 3-point vehicle seatbelt (ECE R44/04).

**SEAGRASS IN TANDEM MODE
FOR NEWBORN AND TODDLER**

GROWING FAMILIES

As well as working beautifully for one little person, the egg2[®] stroller has also been designed to grow with your family so that your initial investment will last you through more than just your first bundle of joy.

Whether you need transport for newborn twins, a baby and a toddler or even two toddlers we have got you covered with our range of carrycots, tandem seats, adaptors and accessories. The more intrepid toddler who wants to travel with baby brother or sister can also walk with you but then take a break by hopping on our ride-on board (page 55).

There is no compromise on the smoothness of the ride or the convenience to the pushing parent. Our adaptors are designed with ease of use in mind, allowing you to build up and break down your egg2[®] stroller system in seconds.

None of our solutions are after-thoughts; we use design to ensure you are as happy as your passengers on every step you take. We can't see the future, but we have made sure you are ready for it...

GROWING FAMILIES

A taller and longer chassis has made for greater space on egg2[®] in all tandem configurations, which will require the new egg2[®] tandem adaptors (see page 53).

When second baby comes along, you can convert any egg2[®] package into tandem mode using the seat unit and carrycot (configuration /1).

To view more colourways in tandem mode, please visit eggstroller.com.

For twins or close in age siblings – tandem seats for the 23/24 collection are available in **Feather, Mink, Seagrass, Quartz** and **Black Geo** egg2[®] colours (configurations 2 & 6).

For toddlers with a little more independence who want to travel with baby brother or sister, we also have the egg[®] ride-on board with optional seat (see page 55).

Approved configurations using egg2[®] tandem adaptors:

- 1 / Upper world facing seat unit (max 15kg), world facing lower carrycot (max 9kg);
- 2 / Upper parent facing infant car seat (requires multi car seat adaptors, max 13kg), lower world facing tandem seat (max 15kg);
- 3 / Upper parent facing carrycot (height adaptors recommended, max 9kg), lower world facing carrycot (max 9kg);
- 4 / Tandem parent facing infant car seats (requires multi car seat adaptors & lower multi car seat adaptors, max 13kg per car seat) (see page 13 for compatibility);
- 5 / Upper parent facing infant car seat (requires multi car seat adaptors, max 13kg), lower world facing carrycot (max 9kg);
- 6 / Upper world facing seat unit, lower world facing tandem seat (max 15kg per seat).

NEW STROLLER ORGANISER
ARRIVING SPRING/SUMMER 2023
IN ALL COLOURWAYS

ACCESSORIES

Step out in style every day with co-ordinating egg2[®] accessories. Designed here in the UK, the accessory range is made from premium fabrics and materials to compliment the egg2[®] stroller perfectly.

At the centre of our collection are the practical needs of you as new parents with the comfort and safety of your child.

We develop our range of accessories so that they are useful first and then we make them beautiful. From the curves of our carrycot to the finish of our backpacks and the ease of use of our adaptors, we pore over every individual accessory as much as we do over the stroller itself.

Your parenting experience with egg2[®] will be greater than the sum of the parts so we need every individual part to be outstanding.

Explore the following pages to discover our range of beautiful accessories.

CARRYCOT

At egg² we recommend your baby is in a lie-flat position for at least the first six months to assist with spinal development.

Available in all egg² colours the carrycot has evolved in both its shape and release mechanism. As a spacious nest suitable from birth to 9kg, it is longer, has wider tapered edges and features an ergonomic release lever positioned at the head end. Like the egg² seat unit it also features a ventilation window and UPF 50+ protection in the retractable canopy.

The beautiful soft lined egg² carrycot includes a mattress and raincover as standard as well as a fully adjustable hood and zip on carrycot apron. The carrycot can also be used for occasional overnight sleeping.

moonbeam / £229

BACKPACK

The egg² backpack (also compatible with the eggZ[®]) is stylish and practical made from a soft-touch, marl fabric. It features an insulated external pocket all finished with quality egg² zip tags. Inside, the bag features a large main compartment with other pockets for smaller items and comes complete with a quality padded changing mat. It has adjustable straps with shoulder padding, two straps to attach to the handle of the stroller and a dust bag for storage.

moonbeam / £100

mink / £100

hunter green / £100

seagrass / £100

quartz / £100

cobalt / £100

Special Edition egg² strollers (Black Geo, Feather Geo and Eclipse) come with the new egg² toploader backpack as standard. The backpack can attach to the stroller with two different types of strap and has a quality padded changing mat in matching fabrics. The Toploader backpack features an insulated pocket at the front, ample internal storage space, adjustable padded straps, dust bag and comes with a new matching clutch bag.

black geo / £150

feather geo / £150

eclipse / £150

FOOTMUFF

The egg² footmuff is made from a soft-touch, durable fabric finished beautifully with a plush fabric lining providing ultimate comfort for your baby. Suitable for use with a 5-point safety harness, the footmuff also features a side zip giving easy access for lifting your baby in and out of the stroller.

moonbeam / £85

mink / £85

hunter green / £85

seagrass / £85

quartz / £85

cobalt / £85

The egg² Special Edition footmuff is made from a soft-touch, durable fabric finished beautifully with a plush fabric lining for the ultimate comfort for your baby. Suitable for use with a 5-point safety harness, the special edition footmuff doubles up as a blanket, and has a handy bag for storage. It also features a zip-off bottom allowing for muddy shoes.

black geo / £85

feather geo / £85

eclipse / £85

TANDEM

With the addition of the egg² tandem adaptor kit the egg² stroller can be converted into a tandem stroller.

egg² tandem seats are currently available to order in Feather, Mink, Seagrass, Quartz and Black Geo, for use from approx. 6 months.

feather / £219

mink / £219

seagrass / £219

quartz / £219

black geo / £229

To convert your egg² stroller into a tandem, you will require the egg² tandem adaptors. The tandem adaptors allow you to double up in 6 approved configurations (page 47).

When using two infant car seats together in tandem mode, you will require lower multi car seat adaptors, to affix a car seat at the bottom. For the higher tandem position, you will also require the standard multi car seat adaptors.

egg² tandem adaptors / £50

lower multi car seat adaptors / £29

For more information head to the growing families section on page 44.

OTHER ACCESSORIES

egg²® reversible fur seat liner / £40

The egg²® stroller comes complete with a seat liner of your colour choice. Our luxury reversible seat liner fits perfectly in your egg seat unit and is warm and cosy for winter months and cool during summer. Seat liners are also available to purchase separately.

available in 4 colours; cream, blush pink, grey and black

egg²® sherpa mattress topper / £20

With a cosy sherpa fleece on one side and a cool cotton reverse, the topper will protect the mattress and make it a cosier environment for your baby – especially in the colder months.

available with a grey or cream cotton reverse

egg²® deluxe blanket / £25

The new egg²® deluxe blanket is super soft for your baby and comes in either cream or grey with a quilted pattern to match the egg²®.

egg²® fitted sheet / £20

The new egg²® carrycot fitted sheet (2 pack) is made from 100% cotton and is designed to fit the egg²® carrycot mattress. Includes 1 x ivory and 1 x grey sheet. Machine washable.

egg²® UV sunshade / £25

The new egg²® sunshade will protect your baby from harmful UVA & UVB rays (50+).

egg® bottle / £20

Stay hydrated and complement your egg stroller with a matching egg® bottle.

available in 3 colours; brushed steel, matte black & gunmetal

egg® ride-on board / £80

The egg® ride-on-board (with seat post hole) easily attaches to the egg® and egg²® with the included adaptors. **Add the additional seat post for £20.**

egg® parasol / £25

The adjustable parasol can be attached to the egg chassis to protect your child from UV rays.

egg® bottle holder / £15

The bottle holder can be easily attached to either side of the egg® and egg²® chassis handlebar.

egg® car seat adaptors / £29

These adaptors fit straight onto the chassis and are very easy to use. They are compatible with a wide range of car seats.

egg® height adaptors / £29

The unique 2-position height adaptors increase the height of the carrycot to suit you.

For more information head to eggstroller.com.

egg^z

TWO STROLLERS,
ONE PHILOSOPHY

egg^z

EXPLORE PERFECTION

At egg® we have always been smitten with the smallest of details. That button, this stitch of fabric, those buckle clasps, the treads on that tyre. It's the dozens of tiny individual decisions that make the complete finished product so perfect. After all, everything we do is based on looking after babies, the smallest of people, so every miniscule part is important and makes a difference.

When we had the big idea to create another egg® stroller we asked ourselves how small can we go?

There are lots of tiny strollers available though, so we tweaked the question – how small can we go without compromising the luxury, convenience and safety that the egg brand offers.

The answer is...eggZ®

We started with everything that is loved about our larger egg2® stroller; such as the easy push and smooth ride, the exquisite tailoring of the fabrics, the curves of the chassis. Then we focussed on maintaining the maximum comfort for your precious passenger and the ease of use that has become one of our hallmarks.

Our end result is big stroller features and functionality, in a small package – we are very proud to introduce eggZ® and invite you to explore perfection with us.

AFTERCARE

Welcome to the egg[®] family, an exclusive club of parents that share an appreciation for award-winning design, luxury living and specialist engineering. egg[®] is more than a stroller; it is the capsule that gifts your newborn the perfect start, the helm from which they first explore a new world.

Sustainability

Longevity and practical living has always been of the utmost importance to us. That's why the egg2[®] stroller is built for use from birth to 25kg, and can be converted to tandem for twins or close in age siblings.

As with many designer accessories, the egg[®] is deemed an investment. When properly cared for it will maintain a respectable residual value.

Stroller Health Check

As part of our commitment to building a more sustainable world, we offer a 'health check and service' that ensures the safety of your stroller past its warranty, for when your second or third child comes along. This service is available from £75 (mainland UK only).

Care & Maintenance

Just as with a car or bike, strollers are built on kinetic mechanisms and require maintenance from time to time. For handy hints and tips on how to maintain your egg[®] stroller, head over to eggstroller.com/FAQs.

Customer Care

We have dedicated egg[®] product experts across the United Kingdom, who are trained to handle product specific queries:

For optimum care and if your product falls within the 24 month warranty period, the retailer from whom the product was originally purchased, should be contacted first.

If your product is older than 24 months (from the date of purchase), our egg[®] team are on hand to assist. Additional service and maintenance fees may apply.

WARRANTY

At egg[®] we pride ourselves in manufacturing high quality products with our customers' safety and wellbeing at the forefront of our minds.

Registering your egg[®] product

Please remember to activate your warranty and register your product, you can do this simply by visiting eggstroller.com and click on 'Register Your Product'.

Your warranty policy

At egg[®] we guarantee your product has been manufactured in accordance with all current European safety standards which are applicable to this product, and that this product is free from defects in workmanship and material at the time of purchase.

During the production process this product has gone through rigorous quality checks. Despite our efforts, if this product does show a manufacturing or material defect within the 24 months warranty period for the chassis and seat frames and 6 months for carrycot, seat fabrics and PVC raincover we will comply to the warranty terms and conditions providing the product has been used for normal use as described within the instruction manual and it has been serviced and maintained correctly also described within the instruction manual.

For further information please contact the place of purchase. Please retain your original receipt of purchase safely in the back of this brochure.

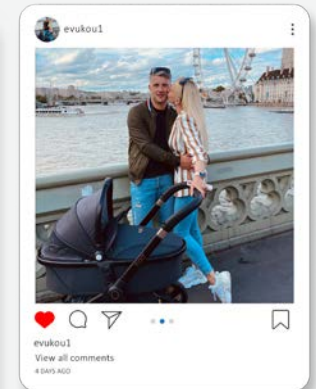

Warranty terms

- Chassis and seat frames: 24 consecutive months.
- Seat fabrics, carrycot, accessories and PVC raincover: 6 consecutive months.
- The warranty only applies to the original purchaser and is non-transferable.

egg[®] aims to ensure that all specifications within this brochure are correct at the time of print. egg[®] reserves the right to alter prices, specifications, design or the construction of products without prior notice. Whilst every effort has been made to ensure the colour reproduction is accurate, variation may occur as a result of print and photographic processes.
